

Janitorial Inside Sales Services

Services include:

- Cold calling
- Business development
- B2B telemarketing
- Lead generation
- Appointment setting

We create a custom cold call program designed specifically around your unique needs.

Cold calling for hot leads!

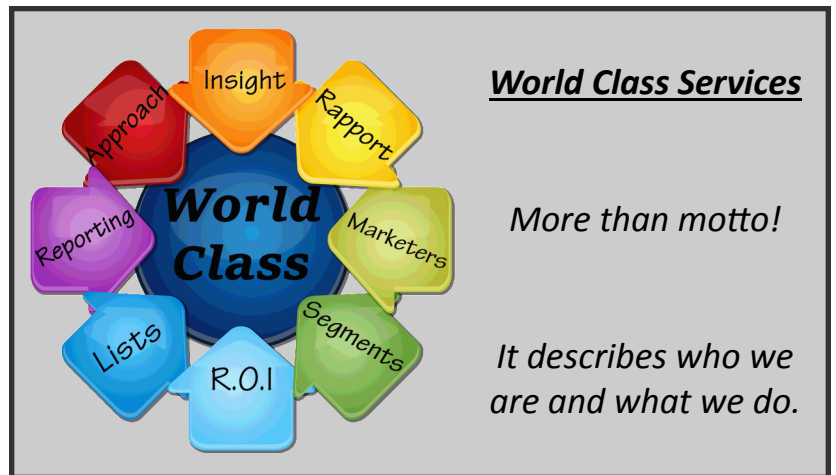

You provide us with your:

- Program goals
- Ideal client profile and service area
- Overview of your offering
- Company brochures

We handle all the details and provide you with:

- A customized scripting package
- A contact list based upon your parameters
- The program outline
- New sales leads and new sales appointments

And ultimately, we provide you with new opportunities to meet new prospects, conduct new sales appointments, develop new relationships and **increase your sales and revenues.**

Who is Commercial Leads Corporation?

- Provides customized B2B inside sales programs
- Works with companies through the US and Canada
- Handling janitorial and commercial cleaning accounts
